ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Stillwater Housing Authority has long believed in planning for the future of public housing and the residents that we serve. We believe that allowing the residents to be a part of the planning process allows them to address the needs that affect them on a daily basis. Therefore, we offer this annual plan in the following components.

Housing Needs:

This is a statement of housing needs of the low-income and very-low income families, elderly and handicapped in Stillwater. We administer 135 Public Housing units and an additional 575 units of Section 8 Vouchers and Certificates. A waiting list is kept for both of these programs. This means that as we serve the low and very low-income persons of this community we need additional housing to help others in this community.

Financial Resources:

We currently are experiencing a shortfall in operating subsidy for public housing. This shortfall does not allow us to operate the program in a manner that fully lets us fund all the projects to help residents in our community. We are satisfied that HUD has finally allowed PHA's with unit totals below 250 to gain access to Capital Funds program formula allocations, and believe that this will help all smaller authorities to gain access to need improvements.

Policies Governing Eligibility, Selection, and Admissions:

This section of the Plan is a statement of the authority's policies governing eligibility, selection and admission, assignment of units and occupancy policies. The procedures for maintaining waiting list are included in the A&O policy of both Section 8 and Public Housing.

Rent Determination:

This section of the plan is a statement of our discretionary policies governing rents charged for public housing units, including flat rents, and rental contributions of families assisted under Section 8 policies and procedures. Specifically we have minimum rents, flat rents, and rents based on income. For the first time, residents are allowed to choose their rents based on the above. The SHA gives residents a choice.

Operations and Management:

This section of the plan includes copies of relevant rules, standards and policies governing maintenance and management of the housing owned, assisted or operated by the PHA.

Grievance Procedure:

This section of the plan includes a statement of the grievance procedures we make available to the residents.

Capital Improvements:

This section of the plan outlines SHA's capital improvements necessary to ensure long-term physical and social viability of the developments.

We have also included a copy of the capital improvement needs for this Grant application.

Demolition and Disposition:

We do not intend to demolish any units in public housing.

Designation of Public Housing:

We have in our future plans for public housing to develop a plan that will include designation of Roxie Weber Plaza as an elderly only property.

Conversion of Public Housing:

We do not intend to convert public housing into homeownership at this time, due to the shortage of rental property in our community.

Homeownership:

This section outlines our role in developing and promoting homeownership opportunities for residents in Public Housing and Section 8.

Community Service and Self-Sufficiency:

Included in this plan are copies of the Management policies that promote Self-Sufficiency under the Section 8 program.

Safety and Crime Prevention:

In this part of the plan we outline our strategy for safety and crime prevention to ensure the safety of the residents we serve.

We have included additional security cameras, fencing, and new locks for additional security measures.

Our plan for crime prevention of Public Housing Drug Elimination Program is also in this plan.

Ownership of Pets in Public Housing:

This section of the plan contains a statement of Policies and requirements for pets in public housing. We have a current pet policy included in the plan. We are expecting new rules from HUD regarding the allowance of pets in family housing. When these new rules are received, we will add a pet policy for family housing.

Civil Rights Certification:

The Section of the Plan contains a twofold certification that we will carry out our plan in compliance with all applicable civil rights requirements and that we will affirmatively further fair housing.

Most Recent Fiscal Year Audit:

This section of the plan includes the most recent FY Audit for the Stillwater Housing Authority. The FY 99 audit is due to be completed in June of 2000.

Asset Management:

The public will be well informed of how the Stillwater Housing Authority manages its financial, physical, and other assets by reviewing the documents enclosed with this plan.

iii. Progress Report

PROGRESS REPORT

April 10, 2001

The Stillwater Housing Authority has promoted adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination.

The SHA has promoted Public Housing and Section 8 Housing through OSU renters fair, Rotary Clubs, The Stillwater Apartment Association, Churches, and other civic clubs and schools in Stillwater. Economic opportunities are promoted through the Family Self-Sufficiency Program and individual counseling with clients. The SHA has maintained a living environment free from discrimination, by promoting fair housing with each client on the program and with applicants.

PHA GOALS:

Goal: Increase the availability of decent, safe, and affordable housing.

- The SHA has expanded the supply of rental housing to clients by applying for Section 8 Vouchers, and has reduced its vacancy rate to 96% occupancy.
- The SHA has improved the quality of housing by continually monitoring and improving of the PHAS score. We have improved Voucher management by increasing our overall number of Vouchers on the program. Customer Satisfaction was increased as a result of the Satisfaction score in PHAS. The SHA has also planned and modernized more public housing through the use of Capital funds.
- The SHA has increased its outreach efforts through the OSU renters fair and through direct contact with landlords. The SHA is currently in the process of completing the homeownership program to be added to our Section 8 Voucher program. We expect this program to be on line no later than September 30, 2001.
- The SHA has implemented the percentage of lower income families and higher income families into both its Section 8 and Public Housing programs. The SHA has also implemented a Deconcentration Policy and has all scattered site housing, which will promote income mixing.

Goal: Improve Community quality of life and economic vitality.

- The SHA has installed security cameras in the elderly high rise and also installed new locks, security window screens, and security screen doors.

Goal: Promote self-sufficiency and asset development of families and individuals.

- The SHA is in the process of developing a plan of designation of elderly for Roxie Weber Plaza; a consulting firm of Goodwin and Associates has been contacted for the development of this plan.

Goal: Ensure Equal Opportunity in Housing for all Americans

- The SHA does promote self-sufficiency through the Family Self-Sufficiency program operated by Mrs. Toni Broyles. Clients are referred to Workplace Oklahoma, and the Oklahoma

Employment Security Commission. Supportive service listing is made available to all clients for mobile meals, transportation, social security, employment, DHS, emergency assistance and any other assistance needed by the client.

- The SHA has maintained a relationship with the Fair Housing Board for the City of Stillwater. We have supplied fair housing complaint forms in all of our applications for Section 8 and we work with all applicants to complete forms should they need assistance. The SHA has supplied housing applications and fair housing fliers to minority churches and the Legal Aid Division of Payne County. We have also used the rental fair at Oklahoma State University to affirm fair housing for minorities and the disabled regardless of unit size.

In summary, we believe we are making reasonable progress towards our goals given the resources we have available to us.

Housing Authority Dwelling Lease Addendum

“Pet Ownership”

This addendum is being executed in accordance of Section (16) (m) of the Dwelling Lease to govern Pet Ownership in Public Housing. As applicable, Section 526 of the Quality Housing and Work Responsibility Act of 1998 (Public Law 105-276), 112 Stat 2451, 2568 (the Public Housing Reform Act of 1998) added new section 31 (captioned “Pet Ownership in Public Housing”) to the United States Housing Act of 1937. Section 31 establishes pet ownership requirements for Residents of public housing other than federally assisted rental housing for the elderly or persons with disabilities, Section 227 of the Housing-Rural Recovery Act of 1983 (12 U. S. C. 1701r-1). The 1983 Act covers pet ownership requirements for the elderly or persons with disabilities. This rule does not alter or affect these regulations in any way, nor would the regulation in Section 227 of the 1983 Act apply in any way to Section 31 of the 1937 Act. Section 31 of the 1937 Act is being implemented by adding a new subpart G to 24 CFR Part 960.

The following policies must be complied with for pet ownership in the HA:

Section I. Pet Policy

A. Pet ownership: A Resident may own one or more common household pets or have one or more common household pets present in the dwelling unit of such Resident, subject to the following conditions:

- Each Head of Household may own up to two pets and a separate service fee and deposit are required for each pet. If one of the pets is a dog or cat, the second pet must be a hamster, gerbil, turtle or other pet normally contained in a small cage or an aquarium for fish. A bird, or other animals other than fish, shall be counted as one pet.
- If the pet is a dog or cat, it must be neutered/spayed, and cats must be declawed. Evidence of neutering/spaying must be provided by a statement/bill from veterinarian and or staff of the humane society. The Resident must provide waterproof and leak proof litter boxes for cat waste, which must be kept inside the dwelling unit. Cardboard boxes are not acceptable and will not be approved. The Resident shall not permit refuse from litter boxes to accumulate nor to become unsightly or unsanitary. A cat cannot exceed 10 pounds in weight (fully grown).
- If the pet is a bird, it must be housed in a birdcage and cannot be let out of the cage at any time.
- An aquarium for fish must be twenty gallons or less, and the container must be placed in a safe location in the unit. The Resident is limited to one container for the fish; however, there is no limit on the number of fish that can be maintained in the container as long as the container is maintained in a clean, safe and non-hazardous manner.
- A dog shall not weigh more than 20 pounds (fully grown).
- If the pet is a cat or dog or any other four-legged animal, it must have received rabies and distemper inoculations or boosters as applicable and evidence of inoculations must be provided by a statement/bill from veterinarian or staff of the humane society.
- All pets must be housed within the unit and no facilities can be constructed outside of the unit for any pet. No animal shall be permitted to be loose and if the pet is taken outside it must be taken outside on a leash and kept off other Resident's lawns.
- All authorized pet(s) must be under the control of an adult. An unleashed pet or one tied to a fixed object is not under the control of an adult. Pets which are unleashed, or leashed and unattended on HA property will be impounded and taken to the local Humane Society. It shall be the responsibility of the Resident to reclaim the pet and any expense from any facility will be the responsibility of the Resident. Also, if a member of the PHA staff has to take a pet to the Humane Society the Resident will be charged \$50.00 to cover the expense of taking the pet(s) to the Humane Society.
- Pet(s) may not be left unattended for more than twenty-four consecutive hours. If it is reported to HA staff that a pet(s) has been left unattended for more than a twenty-four (24) consecutive hour period, HA staff may enter the unit and remove the pet and transfer the pet to the humane society. Any expense to remove and reclaim the pet from any facility will be the responsibility of the Resident.
- Pet(s), as applicable, must be weighed and the weight documented by a veterinarian and or staff of the humane society. Documentation of such must be brought to the HA.

B. Responsible Pet Ownership. Each pet must be maintained responsibly and in accordance with this pet ownership lease addendum and in accordance with all applicable ordinances, state and local public health, animal control, and animal anti-cruelty laws and regulations governing pet ownership. Any waste generated by a pet must be promptly and properly disposed of to avoid any unpleasant and unsanitary odor from being in the unit.

C. Prohibited Animals. Animals that are considered vicious and/or intimidating will not be allowed. Some examples of these animals that have a reputation of a vicious nature are, but not limited to: Rottweiler, Doberman Pinscher, Pit Bulldog, reptiles and/or any animal that displays vicious behavior. This determination will be made by a HA representative prior to the execution of this lease addendum. Potbelly Pigs, Ferrets, and snakes are also prohibited.

D. Pet(s) shall not disturb, interfere or diminish the peaceful enjoyment of other Residents. The terms "disturb, interfere or diminish" shall include but not be limited to barking, howling, chirping, biting, scratching and other like activities. The

Housing Manager will terminate the pet authorization, if a pet disturbs other Residents under this section of the lease addendum. The Resident will be given one week to make other arrangements for the care of the pet.

E. If the animal should become destructive, become a nuisance, represent a threat to the safety and security of other Residents, or create a problem in the area of cleanliness and sanitation, the Housing Manager will notify the Resident, in writing, that the animal must be removed from the Public Housing Development. The written notice will contain the date by which the pet must be removed and the Head of Household must comply with this date. This date will be immediate if the pet is determined to be a danger or threat to the safety and security of other Residents. The Resident may request a hearing which will be handled according to the HA's established grievance procedure. Provided; however, the pet must be immediately removed from the unit upon notice before the hearing process if the cause is of safety and security issue.

F. The Resident is solely responsible for cleaning up the waste of the pet within the dwelling and on the grounds of the public housing development. If the pet is taken outside it must be on a leash at all times. If there is any visible waste by the pet it must be disposed of in a plastic bag securely tied and placed in the garbage. If the HA staff is required to clean any waste left by a pet, the Resident will be charged \$25.00 for the removal of the waste.

G. The Resident shall have pets restrained so that maintenance can be performed in the dwelling unit. The Resident shall, whenever an inspection or maintenance is scheduled, either be at home or shall have all pets restrained or caged. If a maintenance person enters a unit where a pet is not restrained, maintenance shall not be performed, and the Resident shall be charged a fee of \$25.00. If this same situation occurs again, the pet shall be removed from the premises if they are not caged or properly restrained and will be impounded and taken to the local Humane Society. It shall be the responsibility of the Resident to reclaim the pet at the expense of the Resident. Also, if a member of the HA staff has to take a pet to the Humane Society, the Resident will be charged an additional \$50.00 to cover the expense of taking the pet(s) to the Humane Society. The housing authority shall not be responsible if any pet escapes from the residence due to maintenance, inspections or other activities of the landlord.

No pet shall be allowed in the unit prior to the completion of the terms of this pet policy. It shall be a serious violation of the lease for any Resident to have a pet without proper approval and without having complied with the terms of this policy. Such violation shall be considered to be a violation of Section 16 of the lease.

The \$50.00 is due and payable with my rent and other charges. If I fail to make the total payment due, which shall include the additional security deposit payment, rent and other charges, I understand that my lease will be terminated in accordance with the provisions of the dwelling lease and collection policy. The Service Fee and Initial Additional Security Deposit payment must be paid prior to the execution of this lease addendum. The additional security deposit may be used by the Landlord at the termination of the lease toward payment of any rent or toward payment of any other costs made necessary because of Resident's occupancy of the premises. Otherwise, the additional security deposit or any balance remaining after final inspection will be returned to the Resident after the premises are vacated and all keys have been returned.

I agree and understand that violating this lease addendum will result in the removal of my pet(s) from the property and/or a Notice to Vacate HA property and that I may not be allowed to own any type of pet in the future while being an occupant of the HA.

STILLWATER HOUSING AUTHORITY RESIDENT ADVISORY BOARD Committee Meeting May 18, 2001

MEMBERS PRESENT: LaDonna Elston, Elnora Shinault, Dollie Harmon, Zelma Fisher, & John Turbyfill

STAFF PRESENT: Toni Broyles, Jeff Southwick, Cheryl Ropers, Gene Beeler, & Jim Wilkinson

GENERAL ORDERS:

- A. Minutes were approved.
- B. Introduction of Jim Wilkinson, the new Capitol Funds Coordinator
- C. Mr. Wilkinson explained that the purpose of the annual plan was to set goals for the housing authority to achieve in the next year to five years and to show what progress has been made towards those goals. The annual and five year plans also allow input from residents on how the housing authority should proceed.
- D. Mr. Wilkinson informed the board that there had been a reduction in Section 8 funding and due to that new lease-ins was put on hold. He also explained that there will probably be a reduction in capitol funding for the public housing program thus cutting back on what improvements could be made in the next years.
- E. Mr. Wilkinson referred to the packet mailed to each of board members and asked if anyone had any questions. Here are the comments and questions:
 - Why do some housing authorities make inspections standards different? Mr. Southwick replied that there are basic housing quality standards that every housing authority must go by but each housing authority also has to take into consideration what type of housing stock is in the area.
 - What type of background screening does the housing authority do before they move someone in? Mr. Southwick and Mr. Beeler reported that a general internet screening that covers certain counties in Oklahoma (Payne County being one of them) is conducted before a tenant is leased-in and also conducted once a year at their re-certification time.
 - Does Section 8 have a yearly inspection? Mr. Southwick reported that yes it is a requirement for the properties to be inspected yearly.
 - Mr. Beeler reported that there are new inspection standards for Public Housing that is more stringent and detailed, but that Section 8 is still required to use Housing Quality Standards.

- Does the pet policy have any restrictions for how noisy a pet can be? Mr. Beeler reported that yes it does, and specifically addressed the issue of the new puppy with the hope that it would soon settle down.
- A. A copy of the annual plan was made available to the board members.
 - B. An invitation was extended to all board members to attend the public hearing scheduled for May 24, 2001 at 3:00 pm at Roxie Weber Plaza.
 - C. A comment form was given to each member for them to complete and return.

REPORT FROM COMMITTEE MEMBERS:
